1. Passages Home moves to new house, gets great yard!

Our Passages Group Home, located in downtown Stamford since opening in 1993, will be moving in December to a beautiful old home on tree-lined Newfield Avenue: huge yard, bigger house, and more room for the 10 boys who live with us there. Our kids are excited, and we're thrilled to be able to give them a better place to live. We'll take this opportunity to replace the worn-out furnishings they have, so keep your eyes open for ways to help our boys with donations of things like a new game table or bedroom set.

2. The best time of year to golf...and on a top course

Golf with us on October 12th at the Country Club of Fairfield: By then your game will be polished and ready for this exquisite course. Be our **top sponsor and get your logo on the event golf balls** given out to every participant, **plus 2 foursomes**. Sign up [here](#). SPACE EXTREMELY LIMITED! We're almost out of foursomes. Don't miss the post-golf party; sunset views from the veranda overlooking the Sound are breathtaking. Email [Garland](#) to reserve your spot on the terrace!

3. ISO intelligent COO to help us grow wisely

Smart execution of [our three-year business plan](#) requires a cadre of intelligent, caring, nice people at all levels of the organization, and now we're ready to add the key position of COO. Can you read the [job description](#) and forward to anyone that comes to mind--or anyone you think may know someone who'd fit the bill? **Remember: smart and nice.** Thanks for helping us reach our full potential so we can help kids do the same.
