

The perfect day: Fall golf by the Sound

Amazingly, September is just around the corner! It's the best month for golf, right? Low humidity, warm but not hot...and the best place to enjoy that? The Country Club of Fairfield: a primo course (and a favorite of *Golf Digest*). Join us on September 10th for lunch on the terrace, golf, then a sunset reception overlooking the Sound. Every golfer raves. Email

We're lucky to be doing this work and thankful there are big teams of investors who see value in turning out caring, smart, employable future taxpayers. Pix coming soon!
