Independent Auditors' Report

To the Board of Directors Trailblazers Academy, Inc.

We have audited the accompanying statements of financial position of Trailblazers Academy, Inc. (Trailblazers) as of June 30, 2012 and 2011, and the related statements of activities, cash flows and functional expenses for the years then ended. These financial statements are the responsibility of Trailblazers' management. Our responsibility is to express an opinion on the financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Trailblazers' internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Trailblazers as of June 30, 2012 and 2011, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued a report dated November 5, 2012, on our consideration of Trailblazers' internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audits.

NOTE 1 - ORGANIZATION

Trailblazers Academy, Inc. (Trailblazers), a not-for-profit organization, is recognized by the State of Connecticut as an independent charter school in accordance with the provisions of Section 10-66bb of the Connecticut General Statutes. Trailblazers was granted a charter to operate a public school located in the City of Stamford through June 30, 2012. In June 2012, Trailblazers' charter was renewed for five years, from July 1, 2012 through June 30, 2017. The mission of Trailblazers is to create a positive learning environment for students who have been unsuccessful in the traditional public school setting. Trailblazers pursues this mission by, among other things, lowering class size, lengthening the school day, providing more structure and developing strong relationships with each student and family.

Trailblazers shares corporate office space, and other general and administrative costs and services with Domus Kids, Inc. (formerly Domus Foundation, Inc.) and Stamford Academy, Inc., which are affiliated through common management but are governed by separate Boards of Directors.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Presentation - Trailblazers' financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Accordingly, the accounts of Trailblazers are reported in the following net asset categories:

Unrestricted Net Assets - Unrestricted net assets represent available resources other than donor restricted contributions. These resources may be expended at the discretion of the Board of Directors.

Temporarily Restricted Net Assets - Temporarily restricted net assets represent contributions that are restricted by the donor as to purpose or time of expenditure.

Permanently Restricted Net Assets - Permanently restricted net assets represent resources that have donor-imposed restrictions that require that the principal be maintained in perpetuity but permit Trailblazers to expend the income earned thereon. Trailblazers did not have any permanently restricted net assets as of June 30, 2012 and 2011.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Accordingly, actual results could differ from those estimates. Management has used estimates primarily in determining the discount rate on pledges receivable and in valuing donations in-kind. It is management's opinion that the estimates applied in the accompanying financial statements are reasonable.

Cash and Cash Equivalents - Cash equivalents are defined as highly liquid investments with original maturities of 90 days or less.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Accounts Receivable, Net - Accounts receivable are presented net of allowance for doubtful accounts. Uncollectible account balances are written off when management determines the probability of collection is remote. Management maintains an allowance for doubtful accounts based on a review of specific accounts and general historical experience. Management determined that an allowance for doubtful accounts of \$-0- and \$90,772 was necessary as of June 30, 2012 and 2011, respectively.

Grants Receivable - Grants from federal, state and other sources are recognized as revenue when the related expenditures are incurred or revenue otherwise earned. Grants receivable represent unreimbursed expenses at June 30, 2012 and 2011.

Property and Equipment - Property and equipment are recorded at cost or donated value. Depreciation is provided using the straight-line method based on the following estimated useful lives:

Furniture and fixtures	5 years
Computer equipment	5 years
School bus	5 years
Software	3 years

Expenditures for major renewals and betterments that extend the useful lives of property and equipment are capitalized. Expenditures for maintenance and repairs are charged to expense as incurred. All capital items which have a cost greater than \$5,000 are capitalized and depreciated.

Contributions - Unconditional contributions are recognized when pledged or received, as applicable, and are considered to be available for unrestricted use unless specifically restricted by the donor. Pledges receivable expected to be collected beyond one year are discounted to their present value. Trailblazers reports nongovernmental contributions and grants of cash and other assets as temporarily restricted support if they are received with donor stipulations that limit their use. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions. Contributions received whose restrictions are met in the same period are presented with unrestricted net assets. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

Donated Property and Services - Donated services are recognized as contributions if the services create or enhance nonfinancial assets or require specialized skills, are performed by people with those skills and would otherwise be purchased by Trailblazers.

Donated property and the use of equipment and facilities are recorded as support and expenses at fair market value when determinable, otherwise at values indicated by the donor.

While many individuals volunteer their time and perform a variety of tasks that assist Trailblazers, most amounts have not been recognized in the accompanying financial statements for such services because the criteria for recognition of such volunteer efforts have not been met.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Functional Expense Allocation - Expenses are charged directly to program services, development and fundraising, and management and general based on specific identification to the extent practicable. Expenses related to more than one function have been allocated using reasonable ratios determined by management. Management and general expenses include those expenses that are not directly identifiable with a specific function, but provide for the overall support and direction of Trailblazers.

Income Tax Status - Trailblazers is exempt from federal income taxes under provisions of Internal Revenue Code Section 501(c)(3). Trailblazers' informational returns for the years ended June 30, 2009 through June 30, 2012 are subject to examination by the Internal Revenue Service and the State of Connecticut.

Subsequent Events - In preparing these financial statements, management has evaluated subsequent events through November 5, 2012, which represents the date the financial statements were available to be issued.

NOTE 3 - CONCENTRATIONS OF CREDIT RISK

Trailblazers' financial instruments that are exposed to concentrations of credit risk consist of the following:

Cash and Cash Equivalents - Trailblazers places its cash deposits with high credit-quality institutions. Such deposits exceed federal depository insurance limits at times during the year. However, management believes that its deposits are not subject to significant credit risk.

Pledges Receivable - Pledges receivable are from donors who have contributed to Trailblazers in the past, and, therefore, management considers the pledges to represent minimal credit risk. An allowance for uncollectible pledges has been deemed unnecessary by management.

Governmental Grants - Trailblazers receives a significant portion of its revenue from the State of Connecticut and the City of Stamford. A significant reduction in the level of this support, if it were to occur, could have a significant effect on Trailblazers' programs.

NOTE 4 - PLEDGES RECEIVABLE

Pledges receivable consist of the following as of June 30, 2012 and 2011:

	 2012	_	2011

Receivable in one to five years	-		245,863

Less discount to net present value	 -		(20,719)
Pledges Receivable, Net	\$ 245,863	\$	463,846

The lease term is for a five-year period through June 30, 2014, with an option to renew for four consecutive five-year terms. The lease agreement allows Domus Kids, Inc., and Trailblazers to use approximately 80,500 square feet of space for \$1 annually in addition to paying for utilities and repair and maintenance costs. NOTE 13 - DEFINED CONTRIBUTION RETIREMENT PLAN

Teachers are required to contribute 7.25% of their annual salary, while the State of Connecticut is required to contribute at an actuarially determined rate, which may be reduced by an act of the State Legislature. Administrative costs of the plan are funded by the State of Connecticut. Trailblazers has no obligation under this plan.
